**Amendments to the Specification:**

Please replace paragraph [0192] with the following replacement paragraph [0192]:

[0192] All CRMExtension extensions in the system can be accessed through the CRMExtension type view, regardless of which item they belong to. All item extensions ~~extension~~ of an item share the same id. In the above example, the Contact item instance and the attached CRMExtension and HRExtension instances share the same ItemID.
